JOB AD – Mandatory

*Your req request will be declined if this page is not completed. The job ad is what is used to advertise the position internally, externally, and on ESU's job posting websites. The candidate does not see any of the req details from the first page when the job is posted, they only see the job ad.

Only the External Tab needs to be completed. It copies to the other 3 tabs automatically

You can type in the required fields or upload the job description using the instructions below, however please check that the formatting is correct and the job ad looks clean and professional.

DELETE “Add descriptions/hours/schedule” BEFORE ADDING YOUR TEXT

1. Copy the job description from your Word document
2. Click the clipboard icon that has a W in the center 
3. Paste your job description in the box provided
4. Click Paste
5. Please **DO NOT** delete Clery Crime and Fire Statistics Report or ESU information listed on the bottom of this screen.

Click Submit Request

This automatically generates an email to HR that a requisition request has been submitted. After review of your submitted requisition request, we will approve it and then post it to the student employment site for applications.

If there are any errors in your requisition request, your request will be declined and instruction will be given for corrections in the notes section (circled in red below).
